About Cyberize It, LLC:

Cyberize It, LLC is an innovative online notary service that leverages technology to simplify the notarization process. By offering a convenient and secure platform, Cyberize It aims to eliminate the challenges associated with finding and meeting with a notary in person. The company is dedicated to making notary services more accessible to individuals and businesses, saving them time and resources. For more information, visit www.cyberizeit.com.

Cyberize It, LLC was founded in March of 2021. Offering its software solution in more than 36 states.

Cyberize It, LLC is a small, 100% woman owned business based out of Columbus, Ohio. Created by a long-term Notary, Amy realized that the software options for Notaries just did not meet her needs, standards, or requirements.

Cyberize It, LLC offers a streamlined process where individuals can upload a document and connect to a notary, as well as allows for the Notary to setup their own client base and facilitate the notarization directly with them.

Cyberize It, LLC is a Certified as an Ohio Women Owned Business, and a LGBT Business Enterprise®
