

Uzbekistan Outsourcing Conference 2024: Unveiling IT Potential and Investment Opportunities in Berlin

This conference will serve as a platform to showcase Uzbekistan's burgeoning IT sector and the enticing opportunities it offers

TASHKENT, UZBEKISTAN, April 18, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- Uzbekistan and

Germany have long enjoyed fruitful

collaborations and strategic

negotiations, underpinned by shared

values in economic development and

technological innovation. Historically,

these partnerships have ranged from

infrastructure projects supported by German investments to educational exchanges facilitated by both governments. These collaborations have set a strong precedent for mutual benefit and continued cooperation in various sectors.

Both Germany and Uzbekistan boast rich histories and cultural heritage, combined with robust commitments to technological and economic development. The economies of both nations emphasize strong industrial sectors, with Germany leading in technology and engineering and Uzbekistan emerging as a significant player in IT and outsourcing. These similarities foster an environment ripe for collaboration and mutual growth.

The partnership between Germany and Uzbekistan has been exemplified through several successful projects. Notably, German technology firms have actively participated in developing Uzbekistan's telecommunications infrastructure. Additionally, educational partnerships have been established to enhance IT skills among Uzbekistani students, reflecting a deep-seated commitment to long-term developmental goals.

The Uzbekistan Outsourcing Conference is scheduled for April 23, 2024, in Berlin. This conference will serve as a platform to showcase Uzbekistan's burgeoning IT sector and the enticing opportunities it offers. With over 125,000 IT graduates annually and a workforce known for its talent and cost-effectiveness, Uzbekistan is poised to become a leading destination for IT

outsourcing.

The event will kick off with a dedicated video and welcoming remarks from Dilshod Akhatov, the Ambassador of Uzbekistan to Germany, and Farkhod Ibragimov, CEO of IT Park Uzbekistan, followed by speeches from key stakeholders in the Uzbek IT sector. Sessions will cover the landscape of IT outsourcing in Uzbekistan, government-backed growth incentives, and firsthand experiences of international expansion into Central Asia.

Do not miss this opportunity to delve into the IT and outsourcing potential of Uzbekistan. Register now to secure your spot at the Uzbekistan Outsourcing Conference in Berlin and be part of shaping the future of IT and business in Central Asia.
