

California Mesothelioma Victims Center Strongly Encourages the Family of a Person with Mesothelioma in Los Angeles-Orange-San Diego-Riverside County to Call LA Based Attorney Andy Waters-A National Expert on Compensation

LOS ANGELES , CALIFORNIA , USA, May 2, 2024 /EINPresswire.com/ -- The California Mesothelioma Victims Center says, "If your family member has just been diagnosed with mesothelioma in Orange, San Diego, Riverside, Ventura or Los Angeles County---please call LA based attorney Andy Waters of Waters & Kraus at 866-714-6466. Andy Waters is one of the nation's most skilled mesothelioma lawyers and he is at the top of our list for California. There is a direct relationship between hiring the most capable mesothelioma attorney and receiving the best possible mesothelioma compensation results.

"We are urging people with mesothelioma in Southern California to not impulse shop for mesothelioma attorneys because in many to most instances what you see-is not what you get. In other words, many of the lawyer advertisements about mesothelioma are not California lawyers- or even worse they are marketing firms that sell people with mesothelioma to law firms like they are a used car. Don't let this happen to your loved one. The reason we have endorsed attorney Andy Waters of Waters & Kraus is because he actually is one of the nation's top mesothelioma lawyers and his office is in Southern California.

"If your loved one has just been diagnosed with mesothelioma anywhere in Southern California before you talk to anyone--please call attorney Andy Waters of Waters & Kraus at 866-714-6466.

We are confident he will know exactly how to get you the best compensation results-and he has references."
