The DotCom Magazine Impact Awards celebrate companies that exemplify entrepreneurship, innovation, customer dedication, and a commitment to their employees and communities. In 2024, CanScribe Career College stood out as an exemplary organization that embodies these values.

"We are thrilled to be recognized as the 2024 International Impact Company of the Year," said Colleen Chapman, CEO of CanScribe. "This award is a testament to the hard work and dedication of our entire team, as well as our unwavering commitment to our customers, employees, and community. It is an honor to be among the esteemed winners of the DotCom Magazine Impact Awards."

One of the key factors that set CanScribe Career College apart from its peers is its unwavering commitment to its students. In addition to its dedication to customers, CanScribe is known for its relentless pursuit of innovation and creativity. The company constantly pushes the boundaries of what is possible leveraging a unique business model to stay ahead of the competition.

Beyond its business success, CanScribe places a high value on its employees, recognizing them

as the backbone of the organization. The company fosters a positive and supportive work environment that encourages creativity, collaboration, and growth, ensuring that its team members are empowered to reach their full potential. Moreover, CanScribe firmly believes in giving back to the community and being a responsible corporate citizen. Through charitable donations and community service initiatives, the company actively contributes to creating a better world beyond its bottom line.

The 2024 DotCom Magazine Impact Award winners represent the epitome of entrepreneurship and excellence in running great companies. These distinguished organizations demonstrate that success can be achieved hand in hand with making a positive impact on society.

"We extend our warmest congratulations to all the winners of the 2024 DotCom Magazine Impact Awards," added Colleen Chapman, CEO. "Together, we are shaping a better future, and we are excited about the positive change that we can collectively bring to the world."
