/EINPresswire.com/ -- [ASCI](#) Family of

Companies (ASCI), a leader in supply chain and logistics solutions, is proud to announce its distinction as the first U.S. company in support of federal government contracts, and the first company in Alaska, to receive the Human Resource Standards InstituteSM ([HRSISM](#)) Workplace Inclusion Certification based on International Organization for Standardization (ISO) 30415:2021 for Human Resource Management: Diversity and Inclusion. This certification underscores ASCI's leadership in implementing effective diversity and inclusion practices within the workplace.

“Securing the HRSI certification underscores our dedication to embedding diversity and inclusion at the core of what we do,” said Christine Hopkins, President & CEO of ASCI. “This year, as we mark a quarter-century of excellence, this achievement showcases the efforts and dedication of our team to meet and exceed critical global standards.”

The certification by HRSI is a testament to ASCI's proactive approach to diversity and inclusion, highlighted by several key initiatives. Among these, ASCI participates in the SkillBridge program, assisting transitioning veterans, and ASCI is also a proud Military Spouse Employment

Partnership Small Business Partner (MSEP SB) under the Deputy Assistant Secretary of Defense for Military Community and Family Policy. Additionally, ASCI holds certification as a Woman-Owned Small Business (WOSB) from the SBA. These efforts demonstrate ASCI's commitment to supporting diverse employment opportunities within military communities.

The recognition is also timely as HRSI's parent company, [HRCI](#)[®], commemorates its 50th anniversary, setting the stage for a dual celebration of progressive values and shared goals, including a continual focus on fostering an inclusive and human-centered workplace. "This milestone reflects our ongoing commitment to industry-leading standards and the pursuit of excellence as both our organizations celebrate significant anniversaries," said Dr. Amy Dufrane, SPHR, CAE, CEO of HRSI and HRCI.
