

Century Financial Consultancy honoured with two titles for innovative mobile app and CFD Brokerage

Century Financial Consultancy has won 2 awards at Brands Review Magazine Awards 2024 – one for Century Trader App & the other for its CFD Brokerage services.

ENGLAND, UK, May 21, 2024
/EINPresswire.com/ -- [Century Financial Consultancy](#) LLC (CFC), a Dubai-based financial service provider has been announced as the winner of '[Leading CFD Broker UAE 2024](#)' and '[Most Innovative Trading App UAE 2024](#)' at Brands Review Magazine Awards 2024. The two titles were announced on the London-based global business news and blogs portal.

The main reason why Century Financial Consultancy LLC (CFC) stands tall in the UAE online trading industry, especially CFD trading, is that the brokers can

trade with more than 40,000 instruments through its multi-platform offering and more than 10,000 instruments on its Century Trader app. They can trade across various asset classes that include treasury bonds, stock indices, company shares, ETFs, and commodities.

Century Financial Consultancy LLC designed one of the best online trading apps, with technological features that guarantee the best tools and excellent customer support. These are the few reasons why novices and experienced traders got interested to investing in online trading, be it part-time or full-time.

To ensure that the brokers get the best experience while trading, Century Financial has the best trading tools and platforms that can help them maximise their trading experience, such as Meta

Century Financial Consultancy Trader LLC wins the Most Innovative Trading App UAE 2024

Trader5, CQG Platform, TWS Platform and TradeRoom. When it comes to apps, the brokers have access to the company's own app, Century Trader app developed and designed to meet the requirements of all types of traders.

When it comes to trading on the Century Trader app, the brokers can do mobile trading for more than 1000 CFDs. They can trade on more than 40 indices such as DAX, FTSE, NASDAQ, do forex trading in pairs (cross currency, major and minor pairs), trade in more than 1000 stocks which includes bonds, commodities, treasuries, ETFs and more.

Some unique features of the app are biometric login (security), mobile optimised charts (analysis), product overview (trading decisions), personalised watchlist (tracking your preferred products) and more than 35 advanced charting tools.

“

Our unwavering commitment to providing excellent customer support 24/5, customer-friendly risk management tools, and the flexibility to trade from anywhere have enabled us to win these two awards.”
