

# Unify Dots Partners with Docentric to Enhance Advanced Reporting for Dynamics 365 Finance and Supply Chain ERP

SEATTLE, WASHINGTON, UNITED STATES OF AMERICA, May 21, 2024 /EINPresswire.com/ -- Leading global business solutions provider and Microsoft Dynamics 365 partner - [UNIFY Dots](#), announced today that it has entered a strategic partnership with [Docentric](#) in delivering reporting and document automation capabilities of Docentric Advanced Reporting with Microsoft's latest Enterprise Cloud based ERP platform, [Microsoft Dynamics 365 Finance and Supply Chain Management](#).

This partnership brings together Unify Dots' expertise in Microsoft Dynamics with Docentric's advanced reporting capabilities to deliver unparalleled value to customers.

Docentric AX enhances Microsoft Dynamics 365 document automation and reporting by simplifying design and greatly extending print destinations. It enables end users to effortlessly customize report templates in Word, increasing flexibility and reducing both time and costs of customization. Docentric supports multiple output formats and delivery methods, providing unparalleled convenience in document generation. As an add-on built into D365, it ensures optimized performance, enhanced security, and streamlined deployment.

"We are thrilled to partner with Docentric to bring innovative reporting solutions to our customers," said Sandeep Walia, CEO of Unify Dots."

"We are excited to collaborate with Unify Dots to empower businesses with advanced reporting solutions," said Jurij Leskovec, Docentric founder and CEO. "Our partnership will enable businesses to streamline their reporting processes and deliver professional documents with
