Scarpello Group, LLC, a leading provider of innovative business intelligence solutions, is pleased to announce it has achieved SOC 2 Type I Compliance.

OMAHA, NE, USA, May 21, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- "This achievement indicates that our handling and processing of customers' data meets key security standards. The protection of customer data is the highest priority for our team, and we are committed to building a robust security and compliance program. We are thrilled to celebrate this milestone as another way of building trust with our customers," expressed Ben Titus, Managing Partner of Scarpello Group. "Both Vanta & Advantage Partners were tremendous partners throughout the process and helped guide us to this milestone," added Titus.

"We were pleased to partner with Scarpello Group to help them achieve SOC 2 Type I Compliance," said Andrew Gulrajani, Cofounder and Partner of Advantage Partners. "We understand the complexity, stress, and uncertainty of undergoing compliance audits, and are grateful to work with Scarpello Group to help them achieve their security, compliance and business growth goals," added Gulrajani.
