BERLIN, BERLIN, GERMANY, May 21, 2024 /EINPresswire.com/ -- [Carl Kruse Arts](#) invites all to an exhibition and social gathering in Berlin as part of its art series with German artist Michael Dyne Mieth.

Join us Thursday, May 23, 2024 from 6:30pm – 9:30pm at Dorotheenstr 83, 10117 Berlin.

Berlin Artist Michael Dyne Mieth

Dyne will exhibit works that spans his more than 30 years as a visual artist. We will also have on hand staff from Margarethenhof Vineyards who will showcase some of their wines for the event. Jasmin Catering will serve unique Levantine-inspired finger foods.

The event is free and open to all, though an RSVP is requested to [info@carlkruse.net](mailto:info@carlkruse.net)

Dyne is a painter, sculptor and multimedia artist living in Berlin, whose art is exhibited worldwide and always attracts attention due to his visionary motives. Some of his work includes his massive "G18" in which he revisits and reimagines Picasso's Guernica, which has forever inscribed itself in art history as an appeal for peace. G18 was exhibited along with Pablo Picasso's original Guernica at the Imperial Hofburg Museum in Innsbruck during the anti-war exhibition GUERNICA – "Icon of Peace."

Dyne was also selected by Cisco Systems to envision a work on sustainability for their innovation center openBerlin. He created a sculpture in the shape of a robot called "Recycle" from packaging material that is normally hazardous waste. Sensors in a bodysuit that Dyne wore saved the data of his movement as the work was created and later published as "the data of creativity" allowing viewers to immerse themselves in the artist's world and understand what he

did and how he did it.

We look forward to seeing you on May 23 for what will be a beautiful evening.
