

# Chorus Call India Enhances Business Services and Announces New Management Team

*Chorus Call India, a longstanding provider of Annual General Meeting (AGM) services, continues to innovate its AGM offerings & introduces new GM, Avish Kapoor.*

MUMBAI, BOMBAY, INDIA, June 11, 2024 /EINPresswire.com/ -- [Chorus Call India](https://www.einpresswire.com/news/chorus-call-india), a longstanding provider of Annual General Meeting (AGM) [services](https://www.einpresswire.com/news/chorus-call-india), continues to innovate and

introduce enhancements to its AGM offerings alongside the expansion of its business services portfolio, and introduces new General Manager, Avish Kapoor.

Mr. Kapoor brings unparalleled expertise and vision to the company. Avish started his Chorus Call employment in 2009 with Chorus Call India, working there until December 2019 as Vice President of Sales. In 2020, Avish joined Chorus Call Australia as General Manager where he has been instrumental in the helping to expand business in that region.

“

I am thrilled to lead Chorus Call India in offering new and improved business services that are designed to meet our clients' evolving needs and drive their success in a competitive market.”

*Avish Kapoor, General Manager, Chorus Call India*

Michael Hockenberry, President of Chorus Call and Compunetix, shared, “As a long-time key member of the management team, we have the utmost confidence in Avish, and congratulate him on his continued contributions and growth within our organization. His insightful management and experience in the evolving collaboration space will be instrumental to continue growth for the

company.”

Chorus Call India has expanded its range of comprehensive services, which now include:

Event Meeting Management including Investor Relations (IR) Conferencing – IR customized conferencing solutions are designed to facilitate seamless communication between companies

and their investors. With secure and reliable audio, video, and web conferencing options, Chorus Call India ensures that clients can effectively engage with stakeholders and communicate their financial performance and strategic initiatives.

Virtual and Hybrid Annual General Meeting (AGM) Services – Reaffirming its position in the AGM service space, Chorus Call India offers enhanced comprehensive virtual and hybrid AGM services. Their unique platform supports secure voting, real-time Q&A, and interactive presentations, providing a complete solution for conducting AGMs online.

Assisted Conferencing Services – With an ideal combination of features and functionality, Chorus Call India offers a variety of assisted services to support its clients' conferencing needs. Dedicated professionals offer assistance with event planning, coordination, and execution, ensuring that every conference runs smoothly and efficiently.

Streaming Services – Chorus Call India's streaming services enable clients to broadcast their events live to a global audience. Their high-quality streaming solutions are ideal for webinars, corporate announcements, product launches, and more.
