

Vegas Stronger Announces Acceptance of Main Health Insurance Providers in Las Vegas

The contracts ensure that anyone looking for treatment and support for mental health and substance use disorders can access it quickly.

LAS VEGAS, NEVADA, UNITED STATES, June 4, 2024 /EINPresswire.com/ -- [Vegas Stronger](#), the Las Vegas-based nonprofit that provides substance use disorder treatment to the most vulnerable populations has announced it is now accepting four large health insurance providers: Anthem, Health Plan of Nevada, Molina, and Silver Summit. Previously, Vegas Stronger accepted all private insurance and can now accept all Medicaid contracts and if someone does not have Medicaid, they will get them enrolled into an MCO-Managed Plan.

“We have always welcomed all humans to Vegas Stronger, and now these contracts will simply make it easier for us to get individuals on a path to success,” said [David Marlon](#), CEO & co-founder of Vegas Stronger. “Because of the way the system is set up, often insurance providers and treatment centers have to jump through hurdles to make things work. This coverage allows us to make things work faster and with less of a hassle for our clients who would like to access resources and treatment quickly.”

“

Please direct any unhoused to Vegas Stronger instead of giving them money, food, or camping supplies. No one should be sleeping outside in our desert in the summer.”
