*Florida Vow Renewals, Eloping in Florida, Destination Weddings on a Budget & Affordable Florida Beach Wedding and Reception Packages by Suncoast Weddings*

TREASURE ISLAND, FLORIDA, UNITED STATES, June 4, 2024

/EINPresswire.com/ -- For a limited time, Suncoast Weddings, premier wedding planners based on Treasure Island, are offering package deals for mid-week bookings where the beach wedding and reception are bundled together. For many couples looking to reserve a stress-free Florida beach wedding and reception, the logistics of the big day prove challenging as the ceremony is often being booked from out of state or even outside the US.

With the popularity of "destination weddings", family and friends frequently travel to Florida at the same time as the happy couple to enjoy a holiday where the beach wedding or vow renewal is the focal point of the itinerary.

Sue Ashton, owner of Suncoast Weddings explains: "We see couples from all over the US and indeed all over the world come together at this happy time in the sunshine state. Families who may not

have met before get to mix and mingle in a picture-perfect setting so they come together as friends at the ceremony. Indeed, one of our most popular beach wedding signs encourages guests at the wedding to take a seat, not a side, breaking from tradition in a new and endearing way". With many visitors to the Florida coastline opting not to rent a car, booking a beach wedding ceremony and reception to follow at the same venue makes logistics easier as there is no need to arrange transport between the ceremony space and the reception venue.

The reception venue also boasts views of the shoreline and the beach, just steps from the arch decor and seating for family and friends. Suncoast Weddings can carry the wedding decor theme through to the indoor reception space, or they can contrast the outdoor decor with a different theme indoors. Most couples opt to incorporate some traditions into their beach wedding reception, like cutting the cake, and first dances.
