In this election year we are hearing everything about the Republican Platform, Democratic Platform, "America First" platform, "progressive platform." But what about the "Liberty Platform"? Peace, Prosperity, food freedom, medical freedom, First Amendment. That is this year's theme at the [Ron Paul Institute](http://www.ronpaulinstitute.org) DC Conference.

In the coming days and weeks we will be adding speakers known to and beloved by you to present the "Liberty Platform." We will be adding to and modifying this description to reflect the evolving face of this very important conference.

Ron Paul served twelve terms in the US House of Representatives and was a three-time candidate for US president. He has devoted his political career to the defense of individual

liberty, sound money, and a non-interventionist foreign policy. Judge Andrew Napolitano calls him "the Thomas Jefferson of our day."

Registered attendees will enjoy a stimulating experience, with a full day of presentations and networking opportunities. A hot lunch and refreshments will be provided throughout the event, ensuring participants are well-nourished and energized.

For those requiring accommodation, the conference has secured a special rate of \$109 per night at the RPI. Guests who reserve rooms under the "Ron Paul Institute event" will also benefit from complimentary parking and in-room internet. To secure your reservation, please call 800-Hiltons (800-445-8667) and mention the event.
