

Shush Inc. Surpasses Pre-Seed Funding Target in Record Time

Secures Strategic Investments to Propel Innovative Mobile Identity Solutions Forward

DALLAS, TEXAS, UNITED STATES, June 13, 2024 /EINPresswire.com/ -- Shush Inc., a pioneering force in the realm of [Network Authentication](#) solutions, proudly announces the successful

This achievement is a testament to the trust and confidence investors have placed in Shush Inc.'s vision and capabilities."

Eddie DeCurtis

completion of its pre-seed funding round, exceeding expectations within a mere month of fundraising initiation.

Focusing on [Mobile Identity](#), Shush Inc. offers solutions that require no extra network hardware, ensuring easy deployment. Our technology integrates seamlessly with API frameworks like Apigee and supports direct carrier connections.

Eddie DeCurtis, Co-Founder & CEO of Shush Inc., expressed his gratitude for the overwhelming support received from investors: "We are thrilled to have surpassed our pre-seed funding target in such a short period. This achievement is a testament to the trust and confidence investors have placed in Shush Inc.'s vision and capabilities."

Shush Inc. stands at the forefront of innovation within the Network Authentication sphere, redefining convenience and reliability for its clients. Daryl Carlough, Co-Founder & CFO of Shush Inc., emphasized the company's commitment to excellence: "At Shush, we pride ourselves on delivering unparalleled solutions that seamlessly integrate into our clients' operations. Our unique supply-side exclusive approach ensures a white-label and white-glove experience, setting us apart in the industry."

"Our dedication to innovation and client satisfaction drives us to continuously push the boundaries of Network Authentication," added DeCurtis. "Shush Inc. is poised to revolutionize the industry, and we invite organizations to join us in experiencing the future of authentication."

For organizations who wish to collaborate to elevate their authentication process and embrace the future of network security, contact Shush Inc. at info@shush.pw
