Erik Karst of Karst von Oiste is Minnesota's best known mesothelioma attorney, and he and his colleagues produce amazing compensation results for their clients, especially if the client is a Navy Veteran with mesothelioma.

The group says, "If your husband or dad is a Navy Veteran who has just been diagnosed with mesothelioma anywhere in Minnesota there is a very, very good chance he had his asbestos exposure on a navy ship, submarine or at a shipyard. Most Veterans like this were responsible for maintaining a ship's engines, for maintaining or repairing equipment or they worked in a ship's-submarine's repair shop. People like this might have had years of nonstop exposure to asbestos.
