

Paul Vision Institute Named Official Eye Doctors for Wilmington Sharks Baseball Team

Paul Vision Institute is proud to announce its new partnership as the official team eye doctors for the Wilmington Sharks baseball team.

WILMINGTON, NC, USA, June 18, 2024 /EINPresswire.com/ -- [Paul Vision Institute](#) is proud to announce its new partnership as the official team eye doctors for the [Wilmington Sharks](#) baseball team. This collaboration marks a significant step in ensuring the vision health and performance of the Sharks' players, reinforcing both organizations' commitment to excellence.

Wilmington Sharks

As the trusted eye care provider in Wilmington, Paul Vision Institute brings decades of expertise in advanced optometry and comprehensive eye care services. This partnership will provide the Sharks' athletes with access to top-tier eye care, including routine eye exams, advanced vision correction procedures, and personalized performance-enhancing visual training.

“

Having Paul Vision Institute as our official eye doctor is a game-changer for us. Their expertise will help our players maintain peak visual performance, which is essential for success in baseball.”

Brett Bloomquist

“We are thrilled to partner with the Wilmington Sharks,” said Dr. Paul, founder of Paul Vision Institute. “Ensuring that athletes have optimal vision is critical for their performance on the field. We are excited to contribute to the team's success by providing the highest quality eye care.”

The Wilmington Sharks, a beloved local team known for

their competitive spirit and community involvement, are equally enthusiastic about this collaboration. “Having Paul Vision Institute as our official eye doctors is a game-changer for us,” said the team's General Manager – Brett Bloomquist. “Their expertise will help our players

maintain peak visual performance, which is essential for success in baseball."

As part of this partnership, Paul Vision Institute will also engage with the community through various events and initiatives, promoting eye health awareness and education among Sharks fans and local residents.
