An FHI Company

As part of FHI, Steel Toe Talent benefits from the extensive knowledge and proven track record in

[managed labor solutions](#). Steel Toe Talent aims to be a trusted partner for McAllen's distribution centers and warehouse operations, ensuring seamless and efficient workflows through its trained and reliable labor force.

“

Our goal is to provide local warehouse operators with the highest quality short-term labor solutions, enhancing productivity, reducing costs, and maintaining operational efficiency.”

Matt Lucey, Steel Toe Talent VP of Operations

“We are thrilled to bring our services to the dynamic McAllen community,” said Matt Lucey, Steel Toe Talent VP of Operations. “Our goal is to provide local warehouse operators with the highest quality [short-term labor solutions](#), enhancing productivity, reducing costs, and maintaining operational efficiency, traits not typically associated with short term labor resources.”

Three Decades of Excellence

Founded on the principle of service that makes a meaningful and measurable difference to its customers, FHI has consistently delivered premier labor solutions to the warehouse industry. Steel Toe Talent, benefiting from this legacy, ensures that its team of professionals is vetted and

trained to meet the specific needs of customers, handling each assignment with precision and care.

Meeting Local Labor Needs

McAllen, Texas, is a growing hub for warehousing and distribution, with the sector contributing significantly to the local economy. According to recent data, the warehousing and storage industry in McAllen has seen a steady annual growth rate of 5%, with over 10,000 jobs currently supported in this sector. The demand for skilled labor is high, and Steel Toe Talent is well-positioned to meet this need by providing a reliable and competent workforce.

Adding Value to McAllen's Warehouse Operations

Steel Toe Talent offers a suite of benefits designed to add value to local warehouse operations:

1. **Increased Productivity:** Our labor force can help warehouse operators achieve increased productivity during peak seasons.
2. **Cost Efficiency:** By providing flexible labor solutions, Steel Toe Talent helps businesses reduce overhead costs associated with permanent staffing and employee turnover.
3. **Operational Continuity:** Our on-demand labor services ensure that operations continue smoothly, even during unexpected surges in demand or staffing shortages.

A Commitment to McAllen

Steel Toe Talent is dedicated to contributing to the economic growth and success of McAllen's warehouse and distribution sector. By offering a reliable source of skilled labor, it aims to support local businesses in meeting their operational goals and addressing the dynamic demands of the market.
