

Hydration Depot Unveils BEAT THE HEAT Free Shipping: Pallets of Gatorade Bottles & Cans & more for Workforce Hydration

Hydration Depot responds to Unprecedented Summer Heat Wave

POMPANO BEACH, FLORIDA, UNITED STATES, June 25, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- [Hydration Depot](https://www.hydratedepot.com/),

the leading provider of industrial hydration solutions, is excited to announce a summer initiative to support employers in keeping their staff hydrated. Effective immediately, Hydration Depot will offer free shipping on select pallet quantities of [Gatorade](https://www.gatorade.com/) 20 oz bottles and 11.6 oz aluminum cans to the majority of the continental U.S., making it easier for businesses to ensure their teams stay safe and hydrated during the hot summer months.

With the scorching summer temperatures upon us, maintaining adequate ready to drink hydration is critical for workforce health and safety. Hydration Depot recognizes the importance of this and assisting employers in providing high-quality hydration solutions without the added cost of shipping.

“

Hydration Depot understands the challenges employers face during the summer in keeping their workforce hydrated and healthy, Its all we do!”

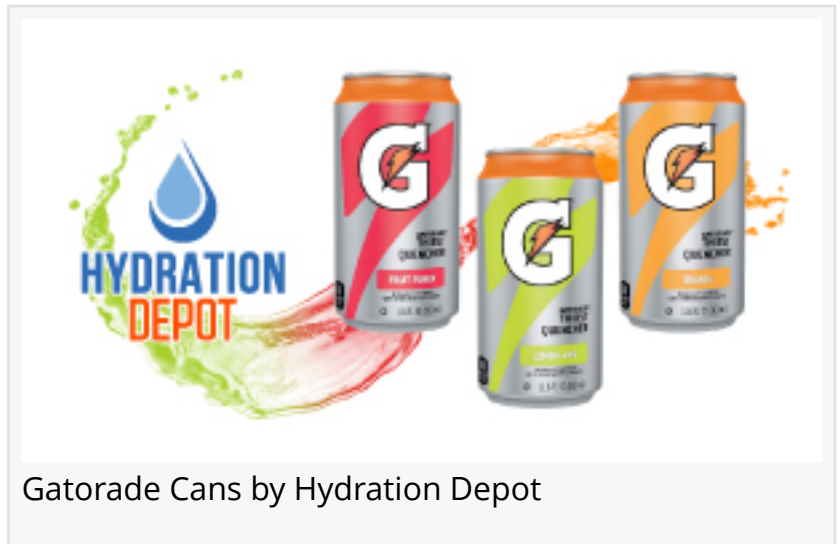

Melissa Schechter

“We understand the challenges employers face during the summer in keeping their workforce hydrated, especially now with the unprecedented heat across the US” said Melissa Schechter, CEO of Hydration Depot. “By offering free shipping on pallet quantities of Gatorade 20 oz bottles and 11.9 oz aluminum cans, we’re making it more accessible for companies to provide their employees with

the essential hydration they need to perform at their best.”
