With over a decade of experience as a digital leader, Morancie brings a wealth of expertise in driving impactful digital transformation initiatives for organizations and clients alike. His proven track record of pioneering digital service strategies, leading product development, fostering innovation and entrepreneurship, creating talent development initiatives, and managing high-stakes automation projects for tech giants makes him an invaluable addition to the JobGraze team.

"At JobGraze, we are committed to pushing the boundaries of digital innovation in healthcare talent acquisition and workforce solutions," said Alexis Nguyen, CEO at JobGraze. "We are thrilled to welcome Chris Morancie as our new Chief Technology Officer and Head of Product. His strategic blend of technical acumen, leadership, and innovative problem-solving will be instrumental in driving our mission forward."

Morancie expressed his enthusiasm for his new role, stating, "I am excited to join JobGraze and contribute to its ongoing success. My goal is to empower organizations to navigate the digital landscape with agility, enhancing operational efficiencies, and fostering a culture of continuous innovation."

As Chief Technology Officer and Head of Product, Morancie will leverage his deep understanding of digital technologies to lead JobGraze's strategic planning efforts, provide team leadership, and deliver transformative digital solutions that drive growth, competitive advantage, and sustainable success.
