## Comprehensive Service Section with Real Staff Photos

The new website features an extensive service section with details about all of [HD Horne's insulation services](#). Customers can find in-depth information about each service, complete with real pictures of the dedicated staff who provide them. This transparency highlights the team's expertise and fosters a deeper connection with the

Vancouver Island community.

Detailed Rebate Information on the Home Page

Along with the environmental benefits, lower energy bills, and increased comfort in indoor environments, customers might also be eligible for generous insulation rebates in BC.

As a registered rebate contractor, HD Horne understands the importance of cost-saving measures for its customers. A thorough explanation of all available Federal and Provincial rebate programs offered exclusively to customers are located on the home page. This section is designed to help customers easily understand and take advantage of financial incentives for insulation services.

HD Horne Sprayfoam & Insulation Ltd. strives to make the benefits of upgrading existing installations or installing new, energy-efficient insulation more valuable to consumers.

Showcasing the Latest Insulation Work

The projects section of the new homepage displays the latest insulation work completed by HD Horne, including batt insulation, blown-in insulation, insulation removal, and more. This visual portfolio demonstrates the company's high standards and capabilities while giving potential customers a better idea of what to expect for their own insulation project.

Acknowledgement of Native Peoples

HD Horne Sprayfoam & Insulation Ltd. operates with respect and recognition of the native territories on which it serves. The company acknowledges that its operations occur on the unceded territories of the Nuu-chah-nulth and Coast Salish Peoples, particularly the Ditidaht, Tsawout, and Pauquachin First Nations, whose presence there reaches back to time immemorial.
