

SODI Launches T3 3-in-1 Magnetic Wireless Charging Station to Charge Multiple Apple Devices Simultaneously

SHENZHEN, GUANGDONG, CHINA, July 2, 2024 /EINPresswire.com/ -- SODI is excited to announce the launch of the [SODI T3](#), its innovative 3-in-1 Magnetic 15W Wireless Charging Station, designed to streamline the charging needs of Apple users. This latest offering embodies the company's commitment to practical and stylish technology solutions, providing a seamless charging experience for the iPhone (models 12 through 15 Pro Max), Apple Watch, and AirPods.

SODI believes in simplicity and innovation. Over the years, the brand has consistently delivered products that enhance the tech-savvy lifestyle of its customers. SODI's wide range includes a variety of devices that not only boast state-of-the-art technology but also promote environmental sustainability. From advanced wireless chargers to eco-friendly accessories, each product is crafted with precision and care to meet the highest functionality and design aesthetics standards.

The SODI T3 is not just a charger; it's a statement. Inspired by the elegance of the sunflower, it features a design that complements any setting—from modern office desks to bedside tables. Equipped with magnetic wireless fast charging technology compatible with Apple's MagSafe, the T3 offers efficient charging in both portrait and landscape modes.

The inclusion of a subtle night light adds ambiance, making the T3 a versatile addition to any room. It also features a smart temperature control that ensures the devices are charged optimally, preserving battery health and efficiency.
