TREASURE ISLAND, FLORIDA, UNITED STATES, July 2, 2024 / EINPresswire.com/ -- Suncoast Weddings, premier wedding planners on the west coast of Florida, announce the addition of a new arch to their [Florida beach wedding packages](#).

Known as a 'Moongate' arch, the circular wooden archway is chic and elegant. Decor of grasses, florals, and starfish was the choice of the first couple to get married with this ceremony arch on Treasure Island in June 2024. Bamboo chairs for family and friends and bamboo lanterns to line the aisle completed the rustic look. This new arch joins the existing arch choices offered by Suncoast Weddings which include a two-post bamboo arch, a four-post bamboo arch, and a two-post birchwood arch. All packages from Suncoast Weddings can be tailored to make them unique, and packages made up for Florida beach weddings and receptions can be purchased for either a beach wedding or a vow renewal.

The new Moongate arch offers an exciting and eclectic backdrop for couples, expanding the choices for the ceremony space. In addition to the beach locations, the Moongate Arch could

also be set up in a private garden, a pool deck, a rooftop terrace, or a park.

Pampas grass adds height and drama to the sandy aisle, and the neutral tones and colors can be accented with brighter colors with chiffon sashes or fresh flowers. Building an a la carte ceremony is also possible, with elements to choose from such as fresh rose petals along the aisle, colored sand for the unity sand ceremony, a blessing stones ceremony, musicians, a day-of coordinator, and a rehearsal before the big day.
