Funding will help USA Cares expand its reach in Texas, helping veteran families avoid evictions, foreclosures, vehicle repossessions, and utility shut-offs.

LOUISVILLE, KENTUCKY, UNITED STATES, July 3, 2024 /

EINPresswire.com/ -- USA Cares is proud to announce that it has been awarded a generous grant of \$500,000 from the Texas Veterans Commission (TVC) Fund for Veterans' Assistance. This significant funding will further the organization's mission to provide critical support to military veterans and their families and help service members make a smooth transition into civilian life.

Texas remains USA Cares' most assisted state, with more than \$1.84 million of assistance given to Texas' military veterans since 2011.

This grant will enable USA Cares to expand its assistance programs in Texas where the organization is working to help active-duty and veteran families avoid evictions, foreclosures, vehicle repossessions, and utility shut-offs.

"We are incredibly grateful to the Texas Veterans Commission for this generous grant," said Trace

Chesser, President and CEO of USA Cares. "This funding will have a profound impact on our ability to support veterans and their families across Texas. We are committed to ensuring that those who have served our country receive the assistance they need to thrive in their post-military lives."
