

Double Portion Supply: Setting New Standards in Custom Snapback Hat Design and Wholesale Production

Double Portion Supply, a premier wholesale hat company, is making waves with their beautifully crafted custom snapback hats and streamlined design process.

KIHEI, HAWAII, UNITED STATES, July 4, 2024 /EINPresswire.com/ -- Double Portion Supply, a premier wholesale hat company, is making waves with their [beautifully crafted custom snapback hats](#) and streamlined design process. Renowned for their quality, creativity, and customer-centric approach, Double Portion Supply is the go-to destination for businesses and organizations looking to create unique, high-quality snapback hats in bulk. At the heart of Double Portion Supply's success is their innovative "build a hat" process. This approach to [customized wholesale hats](#) ensures that every customer receives a product that perfectly matches their vision and needs.

Double Portion Supply works closely with clients during the design process to ensure a product that accurately reflects the unique brand identity.

This journey begins with a design. For those who might not have a design or clear logo ready, Double Portion Supply offers comprehensive design services. Their team of experienced designers brings a wealth of experience and knowledge to the table. Each member is vastly familiar with the hat-making terrain, allowing you to hand off the most challenging parts of hat customization to the professionals.

Once the design is finalized, the next step is to create a sample. Double Portion Supply offers this service for a nominal cost of \$75, excluding design costs. This sample serves as a tangible

preview of the final product, allowing customers to see and feel their design before committing to a larger order. The company strongly believes that this step is crucial in ensuring customer satisfaction.

Upon approval of the sample, customers can proceed to place an order for 50 hats or more. To further sweeten the deal, Double Portion Supply offers a rebate of \$35 on orders of 50 hats or more, effectively reducing the overall cost and providing added value to their clients.

With over 23 years of experience in the hat-making industry, Double Portion Supply stands out as a leader in custom snapback hat production. Their extensive knowledge and expertise enable them to guide customers through the entire process, ensuring a smooth and enjoyable experience. From design to production, the company's team of professionals works diligently to provide a high-quality product and unbeatable service.

Each Double Portion Supply hat is crafted with the highest level of precision and attention to detail, ensuring a product that is both durable and stylish. The company's design team works closely with clients to create custom designs that reflect their unique brand identity. This personalized approach sets Double Portion Supply apart from competitors. By offering a rebate on custom bulk orders, Double Portion Supply provides cost-effective solutions for businesses and organizations looking to [purchase hats in large quantities](#).
