

Dr. Joshua Quinones of Modern Heart and Vascular speaks on Great Day Houston

Dr. Joshua Quinones speaks with Deborah Duncan about cardiac arrest in children on Great Day Houston

HOUSTON, TX, UNITED STATES, July 11, 2024 /EINPresswire.com/ -- Dr. Joshua Quinones recently spoke with Deborah Duncan about Cardiac Arrest in children on Great Day Houston.

Dr. Joshua Quinones, a leading [Pediatric Cardiologist](#) with [Modern Heart and Vascular](#) Institute, recently appeared on Great Day Houston with Deborah Duncan on KHOU 11 News to discuss the importance of cardiac screenings for student-athletes. Highlighting the case of LeBron James' son, Bronny James, [Dr. Quinones](#) emphasized the need for timely and accurate heart tests to prevent cardiac arrest in children. The segment provides valuable insights into recognizing potential cardiac risks early, ensuring young athletes can participate in sports safely and confidently.

He touched on various points, including symptoms to look out for, such as chest pain with exercise, shortness of breath, not being able to keep up with peers or what they used to do, etc.
