

Longhu by Fei Hu Wins Bronze in A' Interior Design Awards

Fei Hu's Innovative Longhu Hotel Design Recognized with Prestigious A' Design Award in Interior Space and Exhibition Design Category

COMO, CO, ITALY, July 6, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most prestigious and well-recognized design competitions, has announced [Fei Hu's](#) innovative work, "Longhu," as the Bronze winner in the [Interior Space and Exhibition Design](#) category. This highly respected award celebrates the outstanding creativity and practicality of Hu's hotel design, positioning it as a significant contribution to the interior design industry.

Longhu's recognition in the A' Interior Space, Retail and Exhibition Design

Award highlights its relevance to current trends and needs within the hospitality sector. The design's unique features, such as its jade dragon-inspired architecture and harmonious display of traditional Chinese elements, align with the industry's growing appreciation for culturally-inspired spaces that offer immersive experiences for guests.

Fei Hu's Longhu Hotel design stands out for its thoughtful integration of the jade dragon concept throughout the interior space. The abstract expression of dragon and phoenix shapes in the lobby creates a captivating atmosphere that engages guests and connects them with the building's cultural narrative. The use of curved walls and ultra-thin marble slabs demonstrates Hu's innovative approach to materials and space optimization.

The Bronze A' Design Award for Longhu serves as a testament to Fei Hu's dedication to pushing the boundaries of interior design. This recognition is expected to inspire future projects within

Longhu

the firm, fostering further exploration of culturally-driven design solutions that prioritize guest experience and innovative use of space and materials.

About Fei Hu

Fei Hu is a design expert with more than 20 years of experience in the interior design field. He has led and completed numerous iconic interior design and real estate projects across China, accumulating extensive experience in providing design solutions for luxury residential, hotel commercial, and public cultural projects in collaboration with well-known brand companies. Hu's work has been recognized with multiple gold, silver, and bronze awards in design competitions and has been featured in many professional interior design publications.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that showcase a high degree of creativity and practicality. It acknowledges the dedication and skill of designers who produce work that stands out for its thoughtful development and innovative use of materials and technology. Winning designs are recognized for their professional execution and potential to positively influence industry standards. The Bronze A' Design Award is a prestigious recognition granted to designs that demonstrate creativity, ingenuity, and astuteness in the Interior Space and Exhibition Design category, based on criteria such as innovative use of space, material selection excellence, functional layout design, color scheme mastery, lighting design proficiency, and sustainable design practice.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly respected international competition that promotes excellence in design and innovation within the interior design industry. Welcoming a diverse range of participants, from visionaries and leading agencies to innovative companies and influential brands, the award provides a platform to demonstrate creativity and gain global recognition. The A' Design Award is an international and juried competition, organized annually since 2008 across all design disciplines. Entries undergo a rigorous blind peer-review process, evaluated by an expert jury panel based on pre-established criteria. By recognizing and celebrating pioneering designs, the A' Design Award aims to make the world a better place through the transformative power of good design, inspiring and advancing the global design community.
