

Award Winning Ashburn Virginia Steakhouse Hosts Ultra Exclusive Scotch Pairing and Dinner Event

The exclusive one of a kind pairing event featured Macallan 18, Macallan 25, and the ultra rare Macallan 30

ASHBURN, VIRGINIA, UNITED STATES, July 8, 2024 /EINPresswire.com/ -- On June 12th award-winning northern Virginia restaurant [D.C. Prime](#) was chosen to host an ultra exclusive scotch paring and dinner featuring '[The Macallan](#)'. The event, which allowed a limited number of guests to attend, (via the purchase of a \$600 ticket), featured tastings of the 18yr, 25yr & 30yr from The Macallan's Sherry Oak series.

"Since the opening of DC Prime over ten years ago, they have been one of the top establishments within my entire territory (VA, NC, AL and MS) that have not only supported brand 'The Macallan' but also the entire Edrington portfolio of products. For that, I am extremely grateful to Rick Crowe and his wonderful team", said Damian Rudolph, Area Manager for Edrington, owners of the brand 'The Macallan'. "These iconic whiskies speak to the true "testament of time" as essentially you are tasting history in a glass. The whiskies are exclusively aged in handcrafted European Oak casks seasoned for several years with Oloroso Sherry and have dominate flavors of dried fruits, baking spices, ginger, and wood-smoke. But it is the years these casks are aged with meticulous care at their Speyside home that makes them truly World-Class and, in my opinion, without peer".

Each guest also enjoyed a special pairing menu created by D.C. Prime's executive chef Brad Weideman specifically for the event. "To have us be the the first event Damian conducted with the ultra rare Sherry Oak 30yr being poured with a dinner pairing was truly an honor", said D.C. Prime owner Rick Crowe. "Our goal was to create an unforgettable evening for all those who attended. To say our expectations for the evening were exceeded would be an

understatement."
