About Amy Fox:

Amy Elizabeth Fox is the founder and Chief Executive Officer of Mobius Executive Leadership. As a senior leadership strategist, she has extensive experience consulting to senior leadership on issues related to human capital, organizational health and leadership development.

Amy has for many years spoken at numerous national industry gatherings and led workshops for corporate executives across the country in areas such as leadership communication and negotiation.

Prior to her current work, Amy was a senior trainer for Vantage Partners anchoring their corporate education delivery of Difficult Conversations: How to Discuss What Matters Most in both private and public sectors.

Earlier in her career Amy was the Director of Training and Organizational Development for Wellspace Inc., a health care start-up. Previously, she served as the Associate Director of the National Religious Partnership for the Environment, an educational initiative headed by Paul Gorman, Vice President Al Gore and Carl Sagan. She was Special Assistant to the Dean of Education, City College and Education Director of an in-patient alcohol rehabilitation hospital.

Amy is certified as an executive coach in the area of Emotional Intelligence by Hay/McBer and Associates, and as a trainer in the System for Analyzing Verbal Interaction by SAVI<sup>®</sup> Communications.

Amy is a psychotherapist who is affiliated with Cambridge Health Associates. She also serves as a Literary Scout for David Black Agency in New York City. Amy also serves on the board of Health Care Without Harm, a global environmental NGO. She received her B.A. from Wesleyan University and her master's in Counselling Psychology from Lesley College. She lives in Wellesley, Massachusetts.
