

# NIEMOpen creates an open invitation to data professionals

*NIEMOpen Reveal is an annual training summit focusing on information sharing*

WASHINGTON, D.C., UNITED STATES, July 9, 2024 /EINPresswire.com/ -- The [NIEMOpen](#) Community invites data officers and professionals to the inaugural [NIEMOpen Reveal](#) at the esteemed National Press Club in Washington, DC, February 18-20, 2025. This groundbreaking event marks a pivotal moment in information sharing, hosted under the auspices of the respected OASIS standards development process.

What is NIEMOpen Reveal?

NIEMOpen Reveal is a premier training conference introducing the reconstituted NIEM as NIEMOpen—a revolutionary standard framework for information exchange. This event will include tailored tracks for executives, new users, and advanced sessions for current NIEMOpen practitioners.

Who Should Attend?

This event is tailored for 300 participants, including federal, state, and local government officials, international industry leaders, non-profit organizations, and academia. Ideal attendees are involved in data management, security, analytics, system development, and data interpretation from or for external stakeholders.

Why Attend?

- Gain insights into the latest NIEMOpen developments with sessions led by senior government and industry leaders.
