

pfSense Takes Home 32 Awards in the G2 Summer 2024 Report

AUSTIN, TEXAS, UNITED STATES, July 8, 2024 /EINPresswire.com/ -- Netgate®, a leader in secure networking solutions, today announced that pfSense® software has received 32 awards in the G2 Summer 2024 report. These include Enterprise, Mid-Market, and Small Business awards in categories such as Best Results, Best Relationship, Best Usability, and Most Implementable for both the Firewall Software and Business VPN groups.

Netgate pfSense software receives G2 awards.

“G2 awards are based on reviews by real users. These awards are important to Netgate because they represent how customers view our products,” said Jamie Thompson, Netgate CEO. “We are honored to receive these awards and will continue providing high-performance and affordable firewall, VPN, and routing solutions. Thank you!”

We are honored to receive these awards and will continue providing high-performance and affordable firewall, VPN, and routing solutions.”

Jamie Thompson, Netgate CEO
