MELBOURNE, VIC, AUSTRALIA, July 23, 2024

/EINPresswire.com/ -- Mercirugs, a washable rug company based in Australia, is proud to announce the launch of their spill proof, pet friendly [washable rugs](#) collection. These rugs are designed to make everyday living easier and more convenient, especially for families with kids and pets.

Mercirugs' washable rugs are made with tightly woven polyester, making them spill-proof and easy to clean. Unlike traditional rugs, these rugs won't absorb liquid, making them perfect for homes with young children or pets. With just a simple wipe, any spills or messes can be easily cleaned up, saving time and effort for busy households.

One of the most unique features of Mercirugs' washable rugs is that they can be washed in the washing machine and dried in the dryer. This makes maintenance and cleaning a breeze, without the need for expensive professional cleaning services. The rugs are also hypoallergenic, making them ideal for families with allergies or sensitivities. Because of these qualities, most of Mercirugs' customers use the rugs as the living room or [bedroom rugs](#).
