

Jobma Recognized as Leader & High Performer in G2's Summer 2024 Report

Jobma has been awarded multiple Leader and High Performer awards in G2's Summer 2024 report. G2 is the most trusted business software review aggregator.

MINNETONKA, MINNESOTA, UNITED STATES, July 9, 2024 /

EINPresswire.com/ -- [Jobma](https://www.jobma.com), a leading AI video interviewing platform, announced today that it has been awarded multiple Leader and High

Performer awards in the [G2](https://www.g2.com) Summer 2024 report, certifying Jobma as a top-tier product in the video interviewing software category. G2 is the most trusted business software review aggregator, with over 80 million users annually.

“

This recognition cements Jobma's place as a frontrunner in ethical AI-driven recruitment, constantly innovating to redefine excellence in HR.”

Krishna Kant

Jobma has been named a Leader and Momentum Leader in its category. It has also been recognized as a High Performer in the Enterprise segment and received Leader and High Performer awards in the Asia Pacific region. These awards underscore Jobma’s dominant market presence around the globe and recognize the company’s commitment to HR innovation and responsible AI.

“Krishna Kant, Managing Partner at Jobma, celebrates being named Leader, Momentum Leader, and High

Performer by G2 in their latest report. He added that this recognition cements Jobma's place as a frontrunner in ethical AI-driven recruitment, constantly innovating to redefine excellence in HR.”

“Rankings on G2 reports are based on data provided to us by real software buyers,” said Sara Rossio, Chief Product Officer at G2. “Potential buyers know they can trust these insights when researching and selecting software because they’re rooted in vetted, verified, and authentic reviews.”

Jobma's AI video interviewing software helps organizations and enterprises improve the quality of hire and reduce hiring costs and time. The product's recognition as a Leader, Momentum Leader, and High Performer (Enterprise) in its category by G2 makes it an even more valuable and trusted tool for mid-large organizations and enterprises.

About G2

G2 is the most trusted business software review aggregator with over 80 million users annually. G2 lets businesses make smarter software decisions based on authentic peer reviews and is used by employees at Fortune 500 companies and leading tech companies.
