

KYY Portable Monitors Announces Early Prime Day Deals

LOS ANGELES, CALIFORNIA, UNITED STATES OF AMERICA, July 10, 2024 /EINPresswire.com/ -- "Still looking for a backup monitor to go with your gaming system, cell phone, tablet or computer? What if there was such a monitor like the KYY 15.6-inch Portable Monitor that can take anywhere? It features a 1080p FHD display, an advanced smart cover, and a wide range of compatibility for a discounted price of just \$65 at Early Prime Day Deals.

The [travel monitor](#) features a 15.6-inch display with an advanced IPS screen, 178° wide viewing angle, 1920 x 1080 image quality, HDR and excellent color rendering. All of this works together to deliver crisp, smooth performance for gaming and multimedia. Blue light radiation and eye damage are reduced, plus flicker is eliminated, allowing to use the monitor for extended gaming sessions.

The [KYY 15.6" Portable Monitor](#) has wide compatibility with two USB-C ports and a mini-HDMI port, making it accessible to the devices that have just one cable. It's compatible with PS4, Xbox One, Nintendo Switch, PC, most laptops, smartphones, and more. It will work in both landscape and portrait modes. Two built-in speakers play audio, and a menu control wheel allows to adjust the settings.

The monitor will easily slide into the bag or backpack, as it's ultra-slim with a 0.3" profile and weighs just 1.7 pounds. A durable smart cover is constructed of PU leather and works as a stand. Choose one of two viewing angles created by the two grooves on the cover.

Now is Early Prime Day Deals, take \$5 off with the Amazon coupon on top of the 36% off deal price and pay just \$64.98 for this [Portable Computer Monitor](#).

KYY 15.6" Portable Monitor

The advertisement features the KYY logo at the top left. Below it, the text reads "Prime Day Deals" in a large, bold, dark blue font, followed by "Up to 30% OFF" in a large, bold, orange font. At the bottom of the ad, two KYY portable monitors are shown on a light blue surface. One monitor is open and displaying a colorful abstract graphic, while the other is closed and standing upright. The background is a light blue gradient.

One Cable Connection
Only works with devices with a full-function Type-C port

The advertisement features a dark background. At the top, the text "One Cable Connection" is written in a large, bold font, with "One" in red and "Cable Connection" in yellow. Below this, a smaller line of text reads "Only works with devices with a full-function Type-C port". The central image shows a KYE portable monitor displaying a video of two cartoon characters. A hand is holding a smartphone in front of the monitor, with a single cable connecting both. To the left of the smartphone, there are two icons: a smartphone icon labeled "Phone Mode" and a laptop icon labeled "Desktop Mode". The KYE logo is visible on the bottom bezel of the monitor.
