NEW YORK CITY, NEW YORK, UNITED STATES, July 11, 2024 /EINPresswire.com/ -- [Daniel E. Kaplan](#), a highly successful insurance and investing executive, has proudly announced his support for the Birthright Israel Foundation. Kaplan's commitment to the foundation embodies the importance of connecting young Jewish adults to their heritage amidst the rising tide of antisemitism.

"As antisemitism rages, our mission becomes ever more important," Kaplan stated. "Connecting our youth to Israel is vital, and we must act now and together to support our young people, helping them find the strength, confidence, and resilience they need to stand tall as proud Jews."

The Birthright Israel Foundation provides Jewish young adults with life-changing trips to Israel, helping them build a deep, personal connection to their heritage.
