“

We are beyond excited to open our new location in Kissimmee.”

Building upon the tremendous success of its Orlando location, which has garnered accolades as one of the highest-rated Brazilian steakhouses in Central Florida across all online platforms, Adega Gaucha is thrilled to extend its operations to the vibrant community of Kissimmee. Located at 7804 W Irlo Bronson Memorial Hwy,

this strategic expansion brings the authentic flavors of Brazil to a prime location just minutes away from several Disney parks, vacation homes, and resorts like Margaritaville, making it an ideal dining destination for both locals and tourists.

Driven by higher demand from clients in the Kissimmee area and a large local Brazilian community, Adega Gaucha brings the best Southern hospitality of Brazil to Kissimmee. The restaurant space, which used to be an Outback Steakhouse, has been completely remodeled to create a luxurious and modern environment that spans 8,673 square feet and accommodates about 250 people. The clean and luxurious ambiance, featuring a lighted palette of colors and an incredible glass wine cellar, has already received excellent reviews and is fast becoming one of the favorite restaurants in the area.

Adega Gaucha offers a refreshing take on the traditional Brazilian steakhouse experience, with an extensive range of distinctive menus featuring various cuts, flavors, and premium meats grilled to perfection by skilled Gauchos. The interactive dining experience is complemented by a variety of side dishes and an extensive wine list, carefully curated to enhance the flavors of the churrasco. Guests can look forward to attentive service, accompanied by an eclectic menu that includes gourmet table options, à la carte delicacies, and the not-so-traditional 'To-go by the pound' option, something new and timely that brings the exquisite fine dining experience to the doorstep at an affordable rate.

The gourmet table offers over 60 items, including charcuterie, beef carpaccio, smoked salmon, and a variety of fresh salads. Guests can also enjoy meats prepared by skilled chefs, providing a true churrasco experience. Popular cuts include the famous Brazilian picanha, beef ribs, and lamb chops, all prepared to perfection.

The space also includes a private room for gatherings and events, equipped with high-end audio and video facilities, providing privacy for corporate or personal events. This private room can accommodate over 25 people, making it ideal for special occasions.

“We are incredibly excited to bring Adega Gaucha to Kissimmee,” said Valmor de Almeida. “The support and success we’ve seen at our Orlando location have been overwhelming, and we can’t wait to share our authentic Brazilian flavors and hospitality with the Kissimmee community.”
