

# Majestic by Shunsuke Ohe Wins Bronze in A' Architecture Awards

*Shunsuke Ohe's Residential House Design, Majestic, Receives Prestigious A' Architecture, Building and Structure Design Award*

COMO, CO, ITALY, July 12, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [architecture](#) design, has announced [Shunsuke Ohe's](#) residential house design, Majestic, as a Bronze winner in the Architecture, Building and Structure Design category. This prestigious recognition highlights the exceptional creativity, functionality, and innovation of Ohe's work within the competitive architecture industry.

Majestic's Bronze A' Architecture, Building and Structure Design Award serves as a testament to its relevance and impact on the industry. The design aligns with current trends and needs, demonstrating how thoughtful architecture can enhance the lives of its inhabitants while advancing industry standards and practices. This recognition underscores the practical benefits of Majestic for users, the industry, and other stakeholders.

Shunsuke Ohe's award-winning design stands out for its unique approach to a two-family residence on a sloping site. The entrance, located on the second floor, creates the illusion of a single-story house from the facade. The exterior, finished with black natural stone, marble-like tiles, wooden latticework, and white paint, exudes a stately yet soft atmosphere. Inside, white and wood grain tones, accented with glaze, create a bright and fresh ambiance. The thoughtful zoning ensures privacy for each generation while allowing them to share common spaces.

Winning the Bronze A' Architecture, Building and Structure Design Award serves as motivation

for Shunsuke Ohe and his team to continue striving for excellence and innovation in their future projects. This recognition may inspire further exploration and advancement in residential architecture, fostering the development of designs that prioritize functionality, aesthetics, and the wellbeing of inhabitants.
