*Ziwan Li's Captivating Character Design Project, Balhae, Receives Prestigious Iron A' Design Award Recognition*

COMO, CO, ITALY, July 12, 2024

/EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [digital art](#) design, has announced Balhae by [Ziwan Li](#) as the recipient of the Iron A' Design Award in the Digital Art category. This prestigious recognition highlights the exceptional creativity, technical proficiency, and storytelling prowess demonstrated in Ziwan Li's captivating character design project.

Balhae's recognition with the Iron A' Design Award holds significant relevance for the digital art industry and its audience. This accolade not

only celebrates Ziwan Li's remarkable achievement but also underscores the importance of pushing the boundaries of digital artistry. By blending historical inspiration with innovative design techniques, Balhae sets a new standard for character design, offering a rich and immersive visual experience that resonates with both industry professionals and art enthusiasts alike.

Set in the ancient kingdom of Balhae, Ziwan Li's award-winning project brings to life the story of apprentice Junghyae and her mentor, Master Yoo, as they embark on a mystical journey to banish spirits from the shallow seas. Through meticulous research and creative speculation, Ziwan Li has crafted a visually stunning homage to Balhae's lost civilization, seamlessly blending historical accuracy with fantastical elements. The characters' intricate designs, rendered in Procreate and Photoshop CC, showcase Ziwan Li's exceptional artistic skills and attention to detail, immersing viewers in the rich tapestry of Balhae's culture and mystical practices.

Balhae
