Spa V offers a range of services tailored to address intimate wellness, including:

[Vaginal Rejuvenation](#): Using advanced laser technology, this treatment enhances vaginal health

by improving moisture levels, elasticity, and reducing symptoms of atrophy and dryness. Spa V utilizes both laser and radio frequency energy modalities for vaginal rejuvenation, ensuring comprehensive and effective care.

[Platelet-Rich Plasma \(PRP\) Therapy:](#) A cutting-edge treatment that utilizes the body's own growth factors to rejuvenate tissue, enhancing sensitivity and overall intimate health.

Cosmetic Gynecology: Procedures designed to enhance the aesthetic and functional aspects of the intimate area, including labiaplasty and vaginoplasty, helping women feel more confident and comfortable.

"We understand that intimate health can be a sensitive topic, but it is essential for overall wellness," adds Dr. Warren. "Our goal is to create a comfortable, confidential environment where women can discuss their concerns and receive the best care possible."

In addition to providing cutting-edge treatments, Spa V emphasizes education and empowerment. Dr. Warren and her team offer consultations and personalized care to educate women about their intimate health and help them make informed decisions about their wellness.

About Spa V:

Spa V is located in the heart of St. Matthews. Their facility provides a serene and private setting for gynecologic treatments and cosmetic services. While Spa V remains dedicated to intimate health for women, they can now offer cosmetic skin and hair restoration services for male clients as well.
