About the Author

Pastor Elvis Momodu is a legal practitioner and an Associate of the Institute of Chartered Mediators and Conciliators (ICMC). He serves as a pastor in the Redeemed Christian Church of God (RCCG) and is a seasoned and knowledgeable teacher of the Word. Pastor Elvis is committed to the wholesome preaching and teaching of the Word of God through seminars and published books.

An artist in words, Pastor Elvis is a prolific writer known for his impactful and inspiring works. He has published three other highly practical books that continue to inspire and educate readers.

The inspiration behind writing this book comes from the Holy Spirit, who continually highlighted

the unacceptable ways in which many Christians were living their lives. It has become increasingly difficult to distinguish born-again Christians from unbelievers. Being born again signifies a profound change from a life marked by sin, selfishness, wickedness, infidelity, carnality, worldliness, and other vices that contradict the doctrines and teachings of Christ. Unfortunately, these negative traits are prevalent among Christians and within the church.

Motivated by this observation, Pastor Elvis realized that many people do not truly understand what being born again means or entails. This lack of understanding is the reason why many born-again Christians conduct their lives in ways that contradict their professed faith. This book was written to demystify the concept of being born again and to clarify that it simply means living our lives in accordance with the dictates and teachings of Christ, our Savior. Pastor Elvis aim is to help readers recognize the true essence of salvation and to inspire them to live lives that reflect the praises of God.
