

Kay A. Oliver's "Disturbing Remains" and "Road to Elysium" Shine at the 2024 American Fiction Awards

Unravel Ancient Mysteries and Modern Murders in a Thrilling Race Against Time By Award-Winning Author Kay A. Oliver

LOS ANGELES, CA, UNITED STATES, July 15, 2024 /EINPresswire.com/ -- American Book Fest proudly announces that author Kay A. Oliver's acclaimed books "Disturbing Remains" and "Road to Elysium" have been named among the winners and finalists of the 2024 American Fiction Awards.

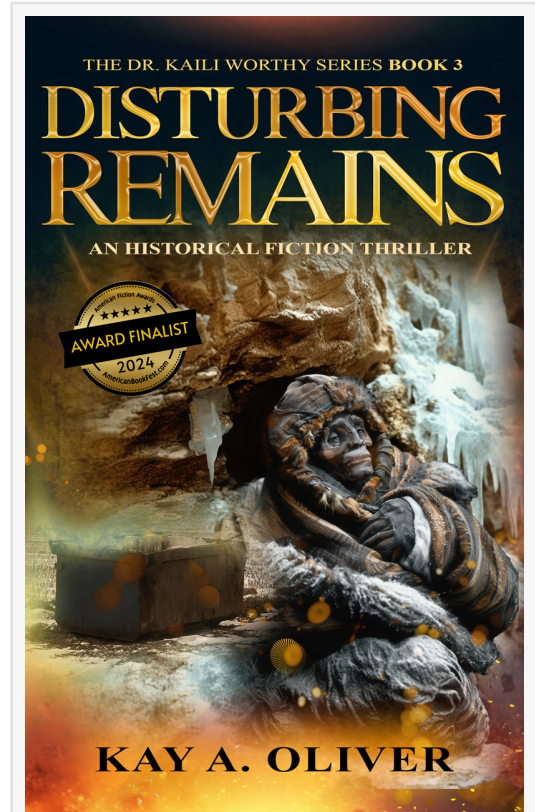

Celebrating literary excellence, these awards recognized outstanding works across over 70 genre-specific categories for titles published between 2022 and 2024.

"Road to Elysium" has garnered ten awards since its release, including First Place and Book of the Year 2023, for its profound exploration of love, tragedy, and redemption. This gripping novel delves into the complexities of human emotions, weaving an unforgettable narrative that deeply resonates with readers.

Inspired by true events, Oliver masterfully tells the transformative journey of Ken, whose life is shattered by unforeseen circumstances, propelling him toward resilience and self-discovery.

The recognition for "Road to Elysium" adds to Oliver's impressive list of achievements, including three first-place recognitions at BookFest® Spring 2023, the Silver Medal at the Readers' Favorite Book Awards 2023, and the esteemed Readers' Favorite 5-Star Review Award. These honors underscore Oliver's unwavering dedication to the craft of literature and her exceptional storytelling abilities.

A. Prasad, a reviewer, aptly describes Oliver's work: "Oliver's storytelling prowess intricately laces the narrative with themes of love and friendship, delving into the complexities of loss, growth,

and redemption. The heartfelt exploration of the characters' tragic histories and their pursuit of forgiveness creates a deeply moving and captivating narrative that is impossible to put down."

Kay A. Oliver, also acclaimed for the Dr. Kaili Worthy Series, continues to captivate readers with her latest thriller, "Disturbing Remains," a finalist in the Thriller/Crime genre. Following the success of "Disturbed Tombs" and "Grave Disturbances," Oliver delivers another spine-tingling narrative that will leave fans on the edge of their seats.

In "Disturbing Remains," protagonist Derek Worthy is thrust into a harrowing investigation when only a torso is discovered, setting off a macabre chain of events. As more grisly body parts surface, Derek and his team race against time to solve a labyrinth of murders shrouded in mystery.

Meanwhile, Dr. Kaili Worthy, on sabbatical, joins Dr. Doris Wolf on an unexpected journey, using a spirit box to communicate with mummies. Together, they unveil the secrets of the Canadian Ice Maiden, blending ancient mysteries with supernatural phenomena.
