

Contemporary Relaxed by Dagmara Berent Wins Iron in A' Landscape Design Awards

Aurea Garden's Dagmara Berent Receives Prestigious Recognition for Exceptional Landscape Design

COMO, CO, ITALY, July 16, 2024

/EINPresswire.com/ -- The A' [Design Award](#), a highly respected and well-recognized award in the field of landscape design, has announced [Dagmara Berent's "Contemporary Relaxed"](#) as the recipient of the Iron A' Landscape Planning and Garden Design Award. This prestigious recognition highlights the exceptional design capabilities of Dagmara Berent and her firm, Aurea Garden, positioning them as influential contributors to the advancement of the landscape design industry.

Contemporary Relaxed

The Contemporary Relaxed design by Dagmara Berent aligns seamlessly with current trends and needs within the landscape design industry, offering practical benefits for users and stakeholders alike. By showcasing innovative features and adhering to industry best practices, this award-winning design serves as a testament to Aurea Garden's commitment to delivering superior landscape solutions that enhance the quality of life for individuals and communities.

Contemporary Relaxed stands out in the market through its harmonious blend of clean lawn planes, balanced evergreens, and delicate perennials. The design incorporates a sophisticated drainage system, meticulously designed gas fireplace, and strategically placed aluminum pots on concrete foundations, creating a tranquil and visually striking urban oasis. The use of fiberglass walls, trimmed trees, and emerging flower bulbs adds depth and seasonal interest to the landscape, ensuring a captivating experience year-round.

The Iron A' Landscape Planning and Garden Design Award serves as a motivating force for Aurea Garden to continue pushing the boundaries of innovation and excellence in their future projects. This recognition not only validates the firm's design prowess but also inspires them to further explore new possibilities and set higher standards within the industry, ultimately contributing to the evolution of landscape design practices.
