-- Founded by Cróna, a former stressed project manager turned aromatherapist, Cróna's Candles have gained acclaim for their handcrafted candles made from organic botanical oils and wax. Each candle is meticulously designed to uplift and nurture, offering a range of scents tailored for various life situations from home to office environments.

"I started Cróna's Candles with a passion to create products that are not only good for the planet but also beneficial for people's well-being," said Cróna, Founder of Cróna's Candles. "Our candles are crafted using organic,

traceable ingredients, ensuring they are pure and natural. [Wilderness Festival](#) provides the perfect setting to share our mission and connect with a community that values sustainability and sensory experiences."

Wilderness Festival, which is held this year, August 1st to 4th, is celebrated for its vibrant blend of music, art, and nature, promises attendees an immersive experience like no other. From enchanting musical performances to interactive arts and culinary delights, the festival is a haven for free-spirited individuals seeking to explore and unwind.

"I am very excited to be welcomed at the Wilderness Festival," Crona. "My commitment to sustainability and creating enriching experiences aligns perfectly with the Wilderness Festival's ethos of celebrating art, nature, and community. I look forward to seeing attendees indulge in the calming ambiance that Cróna's Candles will bring to the event."
