HAKUSAN, 株式会社, July 19, 2024  
/EINPresswire.com/ -- CAMSHOP.JP (FAITH Inc.), a brand specializing in vehicle-themed household goods, introduces a pizza cutter faithfully replicating Suzuki's beloved Katana, cherished among enthusiasts.

The pizza cutter officially licensed by Suzuki is now available for pre-order on CAMSHOP.JP's official website, with the initial production run of 2000 units launched.

This product named "PIZZA Cutter-na," inspired by Suzuki's sports bike GSX1100S KATANA, is a pizza cutter designed for sharp and precise pizza slicing. The name "Cutter-na" is a playful Japanese wordplay combining "KATANA" and "cutter." This clever naming and bold product development have garnered significant attention on social media and television.

The front wheel serves as the pizza cutter, and it comes with a holder for display when not in use.

This pizza cutter is recommended for those who want to feel the presence of the Katana in their daily lives. It is also sure to be a delightful surprise gift for motorcycle enthusiasts.
