liquidity or growth with a long-term approach to building and growing businesses in partnership with founders and management. LSV invests primarily through the traditional search fund model as well as direct partnerships with entrepreneurs via its Operator-in-Residence program.

About Dan Astrachan

Dan Astrachan has over a decade of experience supporting physicians, patients, and organizations of all sizes in advancing their goals within the healthcare industry. Dan's passion for assisting small business owners led him to start a sell-side advisory firm, helping physicians and accountants navigate the complexities of the private equity sale process. At Discover Health, a national concierge medicine provider, he led new market expansion and launched operations on the East Coast through the acquisition of a Boston-based practice. Prior to Discover Health, he worked at Humana, developing tools and resources for patients and physicians. Dan holds a Bachelor of Science degree from Vanderbilt University and an MBA from The Wharton School at the University of Pennsylvania with a major in Health Care Management.
