/EINPresswire.com/ -- The Harbours are a dynamic indie-pop band known for their melodic tunes and heartfelt lyrics. Formed in 2024, the group has quickly gained a loyal following with their unique sound that blends modern indie vibes with classic pop influences. The band consists of lead vocalist Ollie Drakard and lead guitarist Will Massarella-Tyler.

Will and Ollie met in their first year at University in 2020. They were locked down in halls due to the Corona-Virus restrictions. So, to pass the time, they would sing and play for hours with other music-loving friends. Forming a band, they gigged locally for their 3 years at Uni, racking up over 40 live performances. After graduating, Ollie and Will formed The Harbours and now release music full-time.
