

# Amplifying Digital Presence in the Construction Industry - July 18, 2024

*Peer-to-peer digital content sharing for construction and building professionals*

SUNDRE, ALBERTA, CANADA, July 18, 2024 /EINPresswire.com/ -- Since its establishment in 2003, Construction Links Network has emerged as a premier news and information hub in the construction sector. With a commitment to enhancing the digital presence and search engine visibility of its members, Construction Links Network has become an indispensable resource for a wide array of professionals. This includes construction managers, contractors, developers, building and property managers, architects, designers, engineers, and government officials.

As a dynamic hub for digital content dissemination, Construction Links Network offers its members diverse engagement opportunities through news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, and videos.

This week's top video by PCL Construction offers a heartwarming glimpse of the Kids with Cancer Society visiting PCL Edmonton's Train 4 Site. Hosting Eli and Rhett, along with Arrow Utilities and Associated Engineering, was an unforgettable experience! The Kids with Cancer Society, a registered charity since 1979, provides vital, free programs and services to children and families in Northern Alberta and the NWT. The Society ensures fair representation in cancer care, treatment, survivorship, and research, supported primarily by third-party fundraising, events, and donations.

This week's featured content includes a range of topical subjects:

A graphic for the "Round Up Weekly News Magazine" by Construction Links Network. It features the title "Round Up" in a large, bold, black font, with "Weekly News Magazine" in a smaller font below it. The Construction Links Network logo, which is a yellow hard hat with a building icon and the text "CONSTRUCTION LINKS NETWORK", is positioned below the title. The main image shows three construction workers in safety gear (hard hats and high-visibility vests) standing on a construction site at sunset or sunrise, looking at a set of blueprints. The bottom of the graphic has a black and yellow striped hazard pattern. Below the image, the text "Construction Links Network" is written in a black font.
