New feature film script was just announced as a Quarter Finalist at the Los Angeles International Screenplay Awards. The writer of HARMLESS is Eric Player.

LAS VEGAS, NV, UNITED STATES, July 26, 2024 /EINPresswire.com/ -- HARMLESS, the new feature film script now in development with [MailBox Productions](#), [Panther Pictures - LLC](#), and [Roseland Pictures](#), was just announced as a Quarter Finalist at the Los Angeles International Screenplay Awards. The writer of HARMLESS is Eric Player.

HARMLESS tells the story of Grace Norway, and her struggle for answers in the disappearance of her husband and her neighbor. The easiest thing to believe is that they ran away together.

The hardest thing to face is the bone-chilling truth. Most of the people we know in life are quiet, unassuming, ordinary, average. Average does not mean innocent; even if someone has never done you any harm, that doesn't make them harmless.

Charles Box, Jr. is attached to direct through MailBox Productions, Eric Player wrote HARMLESS from his original idea, Kanarose Oonhateparuk is attached as a producer through Roseland Pictures in Bangkok, Thailand.

This project is still actively packaging. The team continues to be open to investment and production partners.
