Terry Moving & Storage moves happy customer Bethny A. from CA to MI

Terry Moving & Storage's professional moving team is dedicated to ensuring your belongings are stored securely on the road and delivered safely to your new location. "Interstate moving is a significant undertaking, and we take it very seriously. From our base in Orange County, we have the expertise to transport your items, including vehicles, to any of the 11 Western states," added Terry. "We handle packing, moving, and storage with the utmost care, treating your belongings as if they were our own. From start to finish, Terry Moving & Storage ensures a seamless relocation and safe storage of your possessions."

"Hired Terry Moving for our 3000 sq ft home in Santa Ana, CA, for our move to Michigan. On day one, JB and Larry showed up to pack everything in boxes. They are both professionals in every way. They communicate well, they are expert packers, and they treat your belongings as if each item is valuable. Day two, JB (expert) arrives with 3 other star movers, Simon, Chuy, and Eloy. All amazing! Loaded truck in 5 hours. Steve, our driver across to Michigan, showed up just to meet us and reassure us—overall great experience! Hire these pros for your next move! No surprises on billing either." –Bethany A. via Yelp
