## Enhancing Premium Quality of Care

The integration of scanning and X-ray services at Lambert Medical Practice underscores our commitment to increasing the quality of care for our patients. By offering these services in-house, we ensure that all scans, including pregnancy scans, are conducted within 24 hours of

booking, keeping patients informed and allowing for timely medical intervention.

## Key Services Now Available:

- Pregnancy Scans
- Medical Scans
- Echocardiogram
- Vascular Doppler Scans
- Musculoskeletal (MSK) Scans
- Holter Monitoring for Cardiology
- X-Ray

## Addressing NHS Challenges

By extending our GP offerings to include these advanced diagnostic tools, Lambert Medical Practice aims to support the NHS in alleviating the current backlog and reducing waiting times for essential imaging services. This initiative is particularly crucial in areas such as Surrey, where demand for such services is high.

## Quick and Efficient Referrals

Our extensive network of consultants enables us to expedite referrals to private specialists, ensuring that patients receive the necessary follow-up care without delay. This efficient referral system further enhances our ability to provide premium quality care promptly.

Dr. Raj Dhillon, Clinical Director at Lambert Medical Practice, stated, "We are delighted to offer our patients in Surbiton and surrounding areas immediate access to crucial diagnostic services. This expansion not only improves the quality of care we provide but also plays a vital role in reducing the strain on NHS resources. Our goal is to ensure that our community has quick and easy access to top-tier medical services."
