Our success would not be possible without our incredible team. Over the years, ITS has grown to over 200 employees, spanning five countries across the globe. Our diverse and talented workforce is the backbone of our company, and we are proud to have been recognized as a Top Workplace for ten consecutive years. This accolade is a testament to our commitment to creating a supportive and empowering work environment. Our employees are not just part of our team; they are the heart of our organization.

As we celebrate this milestone, we are excited about the future of ITS and the testing industry. We are at the forefront of [AI-enhanced solutions](#), continuously exploring what's next in technology. Our secure and reliable solutions are designed to meet the evolving needs of our partners and the industry, ensuring the highest standards of integrity and innovation. We remain dedicated to our mission of advancing technology and services to deliver outstanding solutions for online testing programs.

"We have had a lot of success and fun in the last 27 years", said Pat Ward, President and CEO of ITS. "I'm very proud of what the team has accomplished and grateful for the wonderful partnerships that have fueled our growth. The future is bright for ITS and the assessment community, and we look forward to many more years of growth and achievement."
